Are you ready for some Golf? Mingle with your friends, meet new faces, win quality prizes, contribute to a worthy cause, and celebrate the bird, the eagle, or the snowman. Whatever the score, come and have a great time during our first annual golf tournament sponsored by the Cambodian-American Community of Oregon (CACO).

Proceeds from your participation will go directly to a trust fund that will help us fulfill a long awaited dream, to have our very own Cambodian-American Community Center in the great state of Oregon.

Having a Community Center will enable CACO to more effectively contribute to society by:

- providing a safe haven for at-risk youths and seniors a place to congregate
- offer affordable training to those looking for self improvement and learning new skills
- help preserve our culture, traditions, language, and arts
- a place for us to host fundraising events that serve to help those in need
- bridge the gap between the Cambodian community and other groups, communities, and agencies.

This is a wonderful opportunity to have FUN, make new connections, and help us realize a dream that will positively impact the community. Please and come share the fun with us!

Thank you for your support! We look forward to seeing you on June 11th, 2005.

SCRAMBLE RULES

- ✚ Each group competes as a team for the LOWEST TEAM SCORE for the 18 holes.**

METHOD OF PLAY

1. Play begins with each member of the group teeing off.

3. The other member of the group pick up their ball and proceed to the spot of the selected drive, where they will hit their second shots.
4. The best of the second shots is then chosen. The group will then hit all their putts (or third shots) from that spot.
5. This procedure continues until the ball is in the hole.
6. At the end of each hole, the score for the group is recorded on the card.
